Statement of Substance of Examiner Interview dated 6/19/08

Initially, Applicant wishes to thank Examiner Luu for taking the time to conduct a telephonic interview with Applicant's attorney, Daniel T. McGinnity, on 6/19/08.

During this interview, the §102 and 103 rejections based upon Silver were discussed. Rejections under §101 were also discussed. In the interest of expediting prosecution of the subject application and without conceding the propriety of the rejections, amendments were proposed for consideration by the Examiner and discussed during the interview. The Examiner provided helpful input on the proposed amendments. Agreement was reached as to allowable claims. The Examiner agreed to enter an Examiner's Amendment based on the agreement to place the application in condition for allowance.

Applicant sincerely appreciates the Examiner's cooperation in arriving at agreement as to allowable claims. The proposed claims are provided herein to reflect the Applicant's understanding of the claims agreed to as allowable during the interview and to be entered by Examiner's amendment. In light of the agreement reached in the interview, Applicant expects that a Notice of Allowance with the Examiner's amendment will be the next action by the Office. Should any issue remain that prevents immediate issuance of the application, the Examiner is requested to contact the undersigned attorney to discuss the unresolved issue.

Respectfully submitted,

Date: 6/23/2008
